The monthly gathering was held June 26, 2009 at McClure's Restaurant in Pomeroy. We had a guest, Robert W. Trigueros, for the Pediatric Brain Tumor Foundation. Robert gave a talk on the "Ride for Kids" that they sponsor in Marysville, Ohio on July, 25, 2009. He is asking that anyone who can make it to please come and support them. The ride raises money to help the kids who have this disease.

Darlene Newell reported on her son's condition. For those of you who do not know, he was in a bad motorcycle accident on Fathers day. He would like to speak to our club on the advantages of using a helmet. We are all praying for his quick recovery.

In July we have several things going on. The drive in movie night is going to be held on July, 11, 2009 at Dick and Bev Fetty's house due to the drive-in in Gallipolis not reopening this year. It will be rain or shine so be there or be square. We are all to take a covered dish, as we have in the past. Dinner starts at 7:30 p.m. Bring lawn chairs, and drinks.

"Wings on the River" is July 18, 2009 at Richard and Sandy Butcher's house as always. The club is supplying hamburgers, hot dog's. Ron is going to try to get corn and tomatoes from the bottoms. Each couple is asked to bring a 12 pack of pop (your choice) and a case of water and a bag of ice and a dessert. Festivities begin at 1:00 p.m. Anyone who wants to help set up come earlier.

We are having a work session at 6:00 PM on July 15, 2009 at Sandy and Richards to help get ready for the big event. If possible please bring, pressure washer, and/or weed eater. Anyone who can help would be greatly appreciated.

Don't forget the overnight ride to Wheeling Casino on July 25th & 26th. We'll be leaving McDonald's at 9:00 AM on July 25th. We will be discussing the hotel arrangements as the ride gets closer.

July 31, 2009 is the camp out at Roger and Sharon's house. This is for all members, their children and or grand children, and friends. Feel free to bring anyone you want. Roger and I will supply the hot dogs and buns. Bring anything else you would want to eat or drink. Bring tents, campers and lawn chairs. Also the pool will be available for anyone to use. We just ask that if you have small children please stay with them while in the pool; we don't want to see anyone get hurt. Ron has volunteered to make breakfast on Saturday morning. Jim Clark has donated a load of fire wood for the occasion. We hope everyone can come, even if they don't want to camp come and enjoy the activities. If anyone wants to stay in the house you are welcome to do that as well. Some of the members have volunteered to come on July 29, 2009 at 6:30 p.m. to help Roger weed eat and get the tables and lights set up. If anyone wants to come you are welcome.

Please keep Tom Lear in your thoughts and prayers. He and Linda really need our support and prayers.

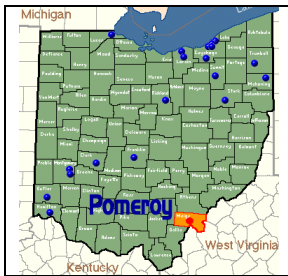

Sharon and I hope each of you have a great summer and please ride safely, whether in your car or on the bike. We are all family and we don't want to see anyone get hurt.

Pomeroy, Ohio on the 4th Friday
of each month at 7:00 PM –
Come and join us...*

*Dan Musgrave getting a
real hair cut at Floyd's
Barber Shop in Mt. Airy, NC*

Rex's Roundup

Hi All from Rex and Kathy your ACD's.

Well, here it is, July already and Ride season is half gone and I haven't done near as much riding as I'd like. July 1 marked the 2nd anniversary of my accident and I thank God that I am able to ride, remember those in your prayers who are not as fortunate.

Wing Ding and Buckeye Rally are done for another year and we are looking forward to a trip to "Wings Over the Smokies". If you have never made that ride it is usually a great time and the scenery is beautiful. Upcoming events include:

- July 11, Movie Night at Dick and Bev's;
- July 18, Wings on the River; and
- July 31, Family Campout at Roger and Sharon's.

Hope to have a good turnout at those events.

RIDE SAFE!!!!
ACD's Rex & Kathy Cumings

Dick's Safety Topic

Hello Fellow Goldwingers

Our safety topic this month was provided by American Electric Power's Gavin Plant. Gavin published a great article in the Daily Sentinel about Motorcycle safety. All the members of the chapter appreciate Gavin taking the initiative to care enough about the community and their own employees to publish this article. The article covered some very interesting statistics as well as safety facts concerning bikers and accidents.

We also discussed the use of headlight modulators and the need to only have the front two bikes use their modulators while riding in a group. Also the front riders need to turn the modulators off when a Semi Truck is passing. That way the truck driver won't mistake the flashing light as an indication he can pull back in.

Ride Safe, Dick & Bev Fetty

GWRRRA Chapter E3 Pomeroy, OH
