State Route 78

Items of Interest

IT'S BACK... THE E3 NEWSLETTER!!! You probably thought you would never see another newsletter. I apologize but there just isn't enough time in the day. I promised Wanda Dorr I would try to get a newsletter out so here you go Wanda.

I want to thank everyone that was able to help with the Wilksville Bicycle Races on May 5th, they only had about 30 Bikes in this years race and they usually have around 120 in the race. It was a real messed up start but everyone made it through safely and that is what matters. We received more thanks from the bikers this year than we ever have. Hopefully the race will be better next year.

I want to thank everyone for their help with Dick and Bev Fetty's move. They were very appreciative and are planning a cookout for all of us that were able to help. They will let us know when they have things setup and hopefully everyone can attend. They are very grateful for all the help!

May 18th we had a Dinner Ride to Lori's Restaurant in Logan, (recommended by Jim Dorr) and we had a good turn out even though it was a little chilly. And I have to give Jim credit, Lori's was a good place to eat!

Just a reminder that this years Buckeye Rally is June 13th – 15th in Marietta.

Did You Know

Sandy Kerns had very extensive eye surgery Tuesday May 27th in Charleston WV. As of the time I am putting the newsletter together she came through it OK and is doing well.

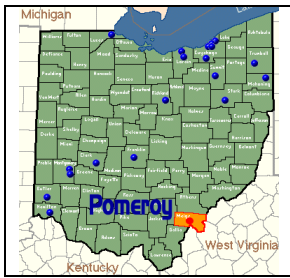

On Sunday May 25th George & Linda Cvetan were on a solo ride to Lake Hope and as he crested a hill a car was stopped in front of him making a left hand turn. George locked up the brakes and had to put the bike down. Both George and Linda are doing OK, they both suffered some road rash and Linda may have torn the ACL in her right knee. She will be seeing an orthopedic surgeon on Wednesday May 28th.

Our thoughts and prayers are with Sandy Kerns as well as George and Linda Cvetan as they continue their recovery.

GWRRA Chapter E3 Pomeroy, OH

*You never know what
the other driver may
have on his/her mind;
always look out for the
other driver*

*Chapter E3 gathers at
McClure's Restaurant in
Pomeroy, Ohio on the 4th Friday
of each month at 7:00 PM –
Come and join us...*

*Rex & Kathy Cumings making
their return to the two wheels
at our April Dinner ride to JP
Henry's in Parkersburg. It was
great to have them back
with us again!*

Paul's Corner

We had a progressive dinner ride scheduled for May 18th but didn't have an opportunity to discuss it. So if anyone is still interested in having a progressive dinner ride please let me know and we can begin the planning process to get it put together.

Our next dinner ride is scheduled for June 1st to Cane's Chicken Fingers in Columbus Ohio. Ronnie and Nancy Russell will be leading the ride since Linda and I will be on vacation. Ronnie and I really like Cane's chicken, if you've never ate there please try to make this ride. The ride is also this years Bug Run, and will be pulling out from McDonald's at 10:00 AM.

Don't forget that Wing on the River is scheduled for July 12th at Rich and Sandy Butchers. This is our annual cookout/get together. Still Standing will be entertaining for us at this years get together. So try to make it if you can.

Don't forget that we are planning our overnight ride to Mt. Arey (Mayberry) NC on July 25th – 27th. I will be making reservations as soon as possible, so anyone that is planning to make this ride please let me know.

We had planned on making the ride to Wing Ding this year on our 1st of July chapter Vacation Ride, but since Linda and I are heading for Orlando Florida this weekend we won't be going to Wing Ding. I think Darrell & Patsy Holland and Dennis and Margret Eynon are still planning on going. If anyone else is interested please let them know.

Safety Topic

Ronnie Russell had this month's safety topic. It was on the importance of checking your fluid levels. Not only toping them off if needed but making sure that the fluids are changed out on a two or three year schedule.

Anti-freeze, Brake Fluids, etc should be drained, flushed and replaced ever two or three years to insure good service from your wing.

As always make sure to check your tires for wear as well as proper tire pressure before heading out for that ride.

Be as visible as possible when you get on your wing,

GWRRRA Chapter E3 Pomeroy, OH
